

CNR AESTHETICS

Aesthetic services in Istanbul

A practical guide to 19 face, skin, smile and wellbeing services coordinated with verified partner clinics.

International Health Tourism Facilitator · AK-0323

How coordination works

- 01 Share your priorities and travel dates
- 02 Receive verified provider information
- 03 Discuss suitability with the partner clinic
- 04 Confirm the appointment in writing
- 05 Stay connected for planned follow-up

Information in this guide is general. Suitability and clinical decisions belong to the qualified professional at the partner clinic. Results vary and are not guaranteed.
